The Acorn Suite

Situated on the ground floor accessed from the foyer, the Acorn Suite has excellent facilities. There is a large sun terrace which is a great suntrap for daytime functions and the suite is fully air conditioned keeping the room at just the right temperature.

There is also a large stage and dancefloor, enabling your guests to dance the night away – why not have live entertainment to make full use of these facilities – and give your guests a night to remember!

Village Suite

As you descend the stairs from the main road, you will be surprised to discover a function suite that would not be out of place in a trendy apartment block in New York city. With its exposed brick walls, original artwork and airy feeling.

A function suite for someone looking for something a little different

The Village Suite has an excellent hi-tech air conditioning and air filter system extinguishing all smoke fumes, which makes the room much more comfortable for your guests.

There is also a stage and dance floor for your enjoyment.

George Edward Suite

Situated on the first floor, accessed from our ornate staircase, the doors to the George Edward Suite will transport you into the feeling of a grand hotel. Decorated and furnished to a very high standard the suite offers great comfort and class for your guests.

Included in this suite is a hidden oasis in the form of a lounge area. In here your guests will discover a number of traditional Chesterfields and cosy sofas. Whilst seated within the lounge your guests can take the opportunity to catch up with old friends and family whilst the hustle and bustle of the function continues in the main room.

The George Edward Suite is also air conditioned throughout for your comfort.

Houldings Suite

Houldings Suite is situated on the ground floor of The Sandon and decorated in a contemporary and fresh décor.

The beautiful dark wooden French doors can be opened on a day time function to give your guests the feeling of sitting outdoors. Our Houldings Suite is ideal for the more intimate function.

PLACES TO MEET

We are extremely lucky at The Sandon to have the use of two bars for your guests to meet before your Function.

The traditional Sandon Lounge is situated at the front of the building enabling you to have a comfortable drink before strolling around to your function, ideal for couples and families. Accessed through large double doors at the rear you will discover our “Secret Courtyard” and its cascading waterfall. Ideal for sitting outside on a warm summers evening. We also have live entertainment every Saturday evening and a late bar until 1am (view our weekly entertainment on www.thesandon.com).

We also have “Dodds Bar” adjacent to The Sandon which has a more lively atmosphere showing all live sports events. There is a large screen, TV’s and special drinks prices until 8pm (excluding LFC home games).
